If you aren't 65 yet, you might also qualify for coverage if you have a disability or with End-Stage Renal disease (permanent kidney failure requiring dialysis or transplant).

- a) **You must apply for the Low Income Subsidy (LIS)/Extra Help Program.** This program is available to assist eligible Medicare recipients with the out-of-pocket expenses associated with Medicare Part D Prescription Plan (PDP)/Medicare Rx. You can apply for this program online at www.ssa.gov. Upon doing so, print the confirmation of LIS/Extra Help application page and submit it with your MIDAP application. Applications may be obtained by calling the Social Security Administration at 1-800-772-1213, or by contacting the MIDAP office at 1-888-826-6565.

Please keep in mind that if you have previously applied for the LIS/Extra Help program that you must reapply annually to determine your ongoing eligibility for assistance with your out-of-pocket Medicare D expenses.

When you receive your approval/denial letter for LIS/Extra Help, file it in a safe place. As a Medicare recipient applying for prescription coverage from MIDAP, you will need to provide a copy of your approval/denial letter for LIS/Extra Help along with your MIDAP application.

If you are approved for **partial** LIS/Extra Help you will have **reduced** out-of-pocket expenses. MIDAP will assist with the remaining out-of-pocket expenses (reduced premiums, deductibles, and coinsurance).

If you are **denied** for the LIS/Extra Help, MIDAP will assist with your out-of-pocket costs (premiums, deductibles, and coinsurance) as long as you meet **all** other eligibility criteria.

The MIDAP staff is also available to assist in researching plans at 1-888-826-6565.

Please note that Medicare eligible individuals may only enroll in a PDP during the following times:

- Up to 3 months prior to when you become Medicare eligible and up to 3 months after you first became Medicare eligible.
- During the annual open enrollment period usually toward the end of the calendar year.

If you have already enrolled in a prescription drug plan, please write the PDP information on your application.

17. MIDAP Coverage: Please indicate the type of prescription coverage you are requesting (Check the most appropriate coverage and check ONLY one)

- a) **Full Drug Assistance:** This type of assistance indicates that you are requesting that MIDAP pay for your medications in full on your behalf because you do not have AND are not eligible for insurance and/or prescription coverage from any other source. If approved for this coverage, MIDAP would pay the contracted pharmacy rate for approved formulary medications only.

You must apply for Medicaid and/or the Adult Medical Program at your local county Department of Human Services (DHS) prior to submitting your MIDAP application.

Please do not submit the MIDAP application until your Medicaid application has been reviewed by your DHS worker and is either pending, denied, or in Medicaid deductible status. Applicants must have applied for Medicaid within 90 days of submission of application. If you have any questions please call the MIDAP office at 1-888-826-6565 or call Ken Pape at DHS at 1-877-342-2437.

- b) **Copay Assistance (Private, QHP, Employer-Sponsored, COBRA, VA):** This type of assistance indicates that you are requesting that MIDAP pay for out of pocket copays for your prescriptions. This is the amount YOU would usually pay at the pharmacy. If approved for this coverage, MIDAP would act as your secondary prescription coverage and pay your copays on your behalf after your insurance pays for their portion of the prescription claim.

If you do not have an income, and report -0- in the household size and income section, you must apply for Medicaid/Healthy Michigan Plan or the Adult Medical Program at your local county Department of Human Services (DHS) office.

- c) **Copay Assistance (Medicare Part D, Medicare Advantage Plan-Part C):** This type of assistance indicates that you are a Medicare beneficiary requesting that MIDAP pay your out-of-pocket expenses associated with your Medicare Part D prescription benefit. This is any amount that your Medicare Part D plan requires you to pay in the form of a copay or deductible after your Part D plan pays the portion they are responsible for AND after any Low Income Subsidy/Extra Help assistance is applied to your prescriptions, if applicable. If approved for this coverage, MIDAP would act as your secondary prescription coverage and pay your copays on your behalf after your insurance pays for their portion of the prescription claim.
